Master Artisan Series: Ceramics of Otto Heino

For more than six decades, Ojai resident, Otto Heino, has been one of the artisans who transformed California crafts into a national design movement. His earthy, organic pieces with their distinctive forms and glazes are a superlative expression of midcentury modernism.

SBMA's new Master Artisan Series brings an exquisite gathering of work to the Museum Store where it will be on view and available for sale. All proceeds benefit the Santa Barbara Museum of Art.
